Induction for First Year Students

Vikas College of Arts, Science & Commerce organized the Induction Programme for first-year students of various streams — B.A., B.Com., B.Sc. B.Sc. (Biotechnology), B.Sc. IT, B.Sc. (Computer Science), B.M.S, B.A.F, and B.Voc (Medical Lab Technology & Media Production) was successfully conducted on 7th July, 2025 at College Auditorium.

The programme commenced with the lighting of lamp as per the tradition of institution followed by University Song and Maharashtra Geet. Dr. Shubhada K. Deshpande, I/c Principal introduced the objectives of the induction and emphasized the importance of academic discipline and personal development during the course of graduation.

Prof. Shaji Mathew explained the examination system and the concept of National Education Policy and framework and grading system. The library orientation session highlighted the wide range of resources and services available to students, including digital databases, the Book Bank Scheme, and reading room facilities. The session was conducted by the Librarian Mr. Uday U. Kulkarni. This was followed by an introduction to the Cultural Committee, where students were encouraged to participate in extracurricular activities and intercollegiate events. The chair-person briefed the students about annual cultural fests and talent showcases organized by the college.

Dr. Vinay Raut, Secretary, VVES and Dr. Anagha Raut, Dy. CEO, VVES delivered a motivational speech guiding students about future career prospects and the importance of goal-setting from the first year itself. He also provided insights on academic planning, internships, and higher education opportunities.

The students were then oriented with their respective departments by faculty members who explained the curriculum, examination patterns, co-curricular activities, and mentorship system.

The programme concluded with a vote of thanks by Mr. Milind Paradkar, who appreciated the efforts of the organizing team and welcomed the students to an enriching academic journey.
